

The Judy Heffernan Award

"Judy Heffernan was, and still is, many things to many women: Business Leader, Friend, Confidant, and most definitely, a Mentor. Judy took boundless interest in the entrepreneurial dreams and passions of women, young and old. Humbly, and out of her desire to see others succeed, Judy acted as a platform that empowered and motivated women to go after their dreams of becoming an entrepreneur. She was the conduit that connected women with the "who's who" in the community and often advocated on their behalf."

Charlina Westbye
(loving daughter of Judy)
