

Acknowledgement Guidelines

Grants from the Community Foundation are made possible by generous donors who have contributed funds to support local projects and initiatives. The public recognition of grants provided by the Community Foundation builds awareness of our community impact and leads to greater support for the charitable sector in the City and County of Peterborough. The type of recognition you are able to provide will depend upon the nature of your project and organization but we ask grant recipients to acknowledge support of the Community Foundation using the following guidelines.

Acknowledgements

When describing the Community Foundation of Greater Peterborough in any public information, you may use the following summary:

The Community Foundation is a public foundation and registered charity. By combining and investing gifts of all sizes in a pooled fund, the Community Foundation works with donors to build sustainable community resources that can address the challenges and opportunities facing Peterborough now and in the future.
