Community Foundation seeks volunteers for visionary leadership roles

About the Community Foundation

The Community Foundation brings people together to create meaningful and lasting change in the Peterborough area. We work with donors and charitable organizations to invest in the people, ideas and activities that support community vitality. We are a small charitable organization with a deep commitment to the Peterborough community, a bold vision for the future and an ambitious and innovative culture, currently celebrating our tenth anniversary. The Foundation has earned a reputation as a convenor and changemaker in Peterborough, and we're known as a leader and trendsetter within the national and international community foundation movement. This spring, we launched a new shared-leadership model for the organization, with a three-person Executive Team leading alongside our Board of Directors.

Call for volunteers

We are looking for Board and Committee members to play an important role in the organization as we move forward and deepen our impact in the community. You may be interested in this opportunity if:

- you are a visionary, collaborative leader who embraces possibility and tolerates risk
- you tend to take a long-term view of our community
- you are willing to invest your time and energy in building an important local institution

We are particularly interested in hearing from you if you have skills in finance, investment management, fundraising, human resources, or knowledge of the non-profit sector.

Put your name forward

Please send us a one-page letter by **May 6**, telling us why you're interested in getting involved with the Community Foundation, and how your mindset, skills, experience or knowledge can contribute to our organization.

Expressions of interest can be forwarded by email to info@cfgp.ca.
