

Hailey's Comet Fund

Hailey Holmes attended Thomas A. Stewart High school within the Integrated Arts program. She always loved acting and making people laugh. Drama was her passion and she desired to work within this field.

Close to the age of twelve, Hailey was diagnosed with Osteosarcoma. She was full of hope and eager to help others. She wanted to be able to help other children and their families who were battling cancer and going through similar circumstances. The Hailey's Comet Foundation was set up shortly after her diagnosis. Hailey was able to contribute to help a local cancer patient and to cancer research foundations.

After Hailey's passing, Hailey's family decided to honour her by establishing the Hailey's Comet Fund at the Community Foundation of Greater Peterborough. The Fund will support causes that mattered to Hailey. It will also provide an award to a graduating student at Thomas A. Stewart Secondary School who has beat various odds and persevered in their educational goals.
